## **The Party Animals Bring Some Fun to the Kids in Japan**

The entertaining kids' performance group travels to the Pacific during Month of the Military Child

**Washington, D.C. (March 30, 2012)** – [Armed Forces Entertainment](#) sends the fun and talented kids' performance group, The Party Animals, to entertain the children of our servicemen and women during Month of the Military Child (verify this...but I think I'm right). The group will put on exciting, interactive shows for the kids, sign autographs, pose for pictures and extend their gratitude to the entire families of the men and women in uniform.

The Party Animals is an interactive rock 'n roll musical for the whole family. The group sings and dances to some of the coolest kid songs ever written with fun beats and friendly lyrics. The show encourages participation and not only is there great singing and dancing, but meeting the characters throughout funny scenes has children belly laughing in their seats. With colorful costumes, interesting characters and catchy tunes, this is one family event that everyone enjoys.
