SCOTT KENNEDY AND HIS SIDE (SPLITTING) KICKS.

Armed Forces Entertainment veteran Scott Kennedy is back with a new troupe of zany funnymen for a night of contagious laughter. This time, he's joined by Kenny Kane and his outrageously spazzy comedy along with Hollywood Improv regular, Ron Morey. Morey, known for his hilarious characters and physical humor, rounds out this trio of comedic oddballs for one majorly high-energy, side-splitting show.
