

ARMED FORCES ENTERTAINMENT PRESENTS
quietdrive

www.myspace.com/quietdrive

FASTEN YOUR SEATBELTS.

Quietdrive exploded on the national scene last year with their chart busting interpretation of Cindy Lauper's *Time after Time*. They've been rolling ever since. Fresh off the release of their second CD, *Deliverance*, they're bringing their brand of supercharged alt-rock to the stage for a performance that'll blow you away.
